Voluntary Building Fund and Library Fund Donations

Families are encouraged to make a donation to the building fund to allow us to plan more confidently for much needed maintenance and building projects. The Library Fund will support the acquisition of books, digital resources and technology equipment and materials. Contributions to these funds are Tax Deductible and Tax Receipts are issued to families each year.

Payment Terms and Options

School Fee Statements are emailed out to all families at the start of each term. Payment Terms are 14 days from the date of your Statement.

Payment Options are Direct Debit or Credit Card Authority; BPay; Eftpos; Cash or Cheque. Direct Debit and Credit Card Authority forms are available from the office. A new Direct Debit form must be completed each year.

All new Enrolment Applications (including siblings) attract a non-refundable \$50 Application Fee.

Families unable to make payments by the due date must make arrangements with the Principal. Where reminder notices are persistently ignored or arrangements to pay arrears are not kept, the school will pursue legal action to recover outstanding fees.

The school is supportive of families in difficult financial circumstances and a concessions process is available for needy families. The process includes a confidential application to have fees and levies discounted for the school year.
